## **Alfreton Golf Club**

### **Call Up Holes.**

We believe it is important to remind members of the following **Call Up Rules** when playing. This will reduce the chance of injuries to our staff, walkers, members and visitors. These are the rules and **they should** be followed at all times.

#### **4<sup>th</sup> and 14<sup>th</sup> Hole.**

If you reach the Tee and there is a group on the green, do not play unless invited to do so.

#### **5<sup>th</sup> and 15<sup>th</sup> Hole.**

If you reach the Tee and there is a group on the green, do not play unless invited to do so. Without an indication to play to the green, you should not tee off until the 6<sup>th</sup> tee area is clear.

#### **8<sup>th</sup> Hole**

After playing your approach shots and walking to the green, please ring the bell, do this before putting out.

#### **10<sup>th</sup> Hole / 18<sup>th</sup> Hole**

Upon reaching the green mark your ball and indicate to the group behind to tee off. Please wait at the back of the green until such time that all of the following group have driven off. Please be aware of the balls leaving the Tee may reach the green.

### **Balls struck and going out of sight.**

If your ball when struck is going to land where you cannot see it land, it is **IMPERATIVE** that you or your playing partners shout a warning **CLEARLY** of **FORE** and the **hole number or position** where it may land. As always **do not play a shot if** the group in front is in range!

**By Order of the Greens Committee.**
